## CHORUS:

D

Hang me, oh, hang me, and I'll be dead and gone.

A

D

G

D

Hang me, oh, hang me, and I'll be dead and gone.

G

D

Bm

It's not the hanging that I mind, it's the layin' in the jail so long

A

D

I've been all around this world.

Up on the Blue Ridge Mountains, is where I'll take my stand.  
Up on the Blue Ridge Mountains, is where I'll take my stand.  
A rifle on my shoulder, and a pistol in my hand  
I've been all around this world.

Workin' on the new railroad, mud up to my knees  
Workin' on the new railroad, mud up to my knees  
Workin' for Old John Henry, he's so hard to please  
I've been all around this world

If you meet a rich girl send her on down the line  
If you meet a rich girl send her on down the line  
But if you meet a poor girl you bet she's a friend of mine  
I've been all around this world

Mama, Papa, little sister McFree  
Mama, Papa, little sister McFree  
March right out to the gallows, it's the last they'll see of me  
I've been all around this world

# Imagine

John Lennon

|C Cmaj7 |F |

Imagine there's no heaven

|C Cmaj7 |F |

It's easy if you try

|C Cmaj7 |F |

No hell below us

|C Cmaj7 |F |

Above us, only sky

*Pre-chorus:*

|F Am |Dm Am |

*Imagine all the people*

G7 G7(hold)

*Livin' for today*

Imagine there's no countries

It isn't hard to do

Nothing to kill or die for

And no religion, too

*Pre-chorus:*

|F Am |Dm Am |

*Imagine all the people*

G7 G7(hold)

*Livin' life in peace*

**Chorus:**

|F G7 |C E7 |

You may say I'm a dreamer

|F G7 |C E7 |

But I'm not the only one

|F G7 |C E7 |

I hope someday you will join us

|F G7 |C(hold)

And the world will be as one

Imagine no possessions

I wonder if you can

No need for greed or hunger

A brotherhood of man

*Pre-chorus:*

*Imagine all the people*

*Sharing all the world*

**Chorus:**

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will live as one

# Jubilee

*Traditional, as sung by Jake Xerces Fussell*

**Intro: E**

**E**

All out on the old railroad

**E**

All out on the sea

**E**

All out on the old railroad

**E(hold)**

Far as I can see

**CHORUS:**

**C#m**

**Swing and turn, Jubilee**

**A E**

**Live and learn, Jubilee**

**C#m**

**Swing and turn, Jubilee**

**A E**

**Live and learn, Jubilee**

If I had a needle and thread  
As fine as I could sew  
I'd sew my true love to my side  
And down the creek I'd go

**CHORUS**

My wife died on Friday night  
Saturday she was buried  
Sunday was my courtin' day  
And Monday I got married

**CHORUS**

# For What It's Worth

*Buffalo Springfield*

**Intro: E A E A**

**E** **A**

There's something happening here

**E** **A**

But what it is ain't exactly clear

**E** **A**

There's a man with a gun over there

**E** **A**

Telling me I got to beware

**I think it's time we**

**E** **D**

**Stop children, what's that sound?**

**A** **C**

**Everybody look, what's going down**

**E** **A** **E** **A**

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people speaking their minds  
Getting so much resistance from behind

**It's time we**

**E** **D**

**Stop, hey, what's that sound?**

**A** **C**

**Everybody look, what's going down**

**E** **A** **E** **A**

What a field day for the heat  
A thousand people in the street  
Singing songs and they carrying signs  
Mostly say, "Hooray for our side"

**REPEAT CHORUS 2**

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
Step out of line, the men come and take you  
away

**We better**

**Stop, hey, what's that sound?**

**Everybody look, what's going down**

**Stop, hey, what's that sound?**

**Everybody look, what's going down**

**Stop, now, what's that sound?**

**Everybody look, what's going down**
